

The table below provides indicative dates for all Post Graduate Nursing placements.

Placement start and end dates are subject to confirmation and may change due to operational reasons, placement venue staffing and workload demands.

It is recommended that students **do not book holidays or make travel arrangements until placements have been confirmed on InPlace.**

Students are required to upload up-to-date pre-placement documentation to InPlace by the below-stated *Topic Compliance Deadline*. Students who have not met the pre-placement requirements by the deadline will not be eligible for a placement allocation.
