

Russell Liston Award for Paramedic Clinical Excellence

| nomination information |

If you are an SA Ambulance Service paramedic and would like to nominate a third year Flinders University Bachelor of Paramedic Science student for the Russell Liston Award for Paramedic Clinical Excellence, please email paramedicine@flinders.edu.au with the subject heading 'Russell Liston Award Nomination'. In the email, please include the student's full name, the date and shift call sign of the clinical placement, and briefly summarise how the student displayed aspect/s from at least one of a range of five key areas of clinical excellence outlined below, using specific examples where possible.

1. Professionalism:

Consider appearance and cleanliness, promptness for shift, emotional intelligence displayed, attitude of continuing development, initiative etc.

2. Clinical care:

Consider patient assessment skills, clinical decision-making ability, incorporation of evidence-based healthcare etc.

3. Patient advocacy:

Consider promotion of patient safety, navigation of the health care system, patient education, escalation of care etc.

4. Interpersonal skills:

Consider communication with patients, staff and other healthcare workers, use of body language, display of compassion etc.

5. Clinical knowledge:

Consider knowledge of anatomy, physiology, pathophysiology, pharmacology etc.
