

Information for NURS8732 Diabetes Management - SA

Placements are pre-organised for Nursing students in South Australia or who live interstate but are willing to travel to South Australia. Placements are with hospitals including FMC, TQEH, RAH and LHM. These hospitals' placements are offered to Nursing students only. We are hoping a placement for Allied Health professionals could be offered in the future.

Placement for Allied Health students may be organised elsewhere.

Students can self-organise the placement with their preferred host. Please ensure that you will be working with a credentialed CDE by referring to <https://www.adea.com.au/credentialling/>

Student Placement Agreement between Flinders University and the venue

A placement schedule or student placement letter of agreement must be in place for each venue where you wish to complete your placement. Your Flinders University WIL support officer will complete this once you have provided the contact details and evidence of the organisations willing to host you.
