

Information for NURS8823 CaFHN students – WA

Flinders University has an affiliated relationship with WA Country Health (WACH) but not with Perth Metro Health. (We are working on signing an agreement with The Child and Adolescent Health Service/Perth Children's Hospital)

Travel outside of the metro area to complete the required placements is highly likely in Western Australia.

If decided to undertake placements in SA, please contact the Placement Team asap.

Non-government organisations/ Community-based organisations (such as Indigenous health services) and [WA Country Health](#) are more likely to accept Flinders University students. Some of the venues that accepted Flinders University in the past:

- Broome Regional Aboriginal Medical Services (BRAMS)
- Bunbury Community Health
- Derbarl Yerrigan Health Service (DYHS): East Perth Clinic & Head Office
- Geraldton Health Campus (WACHS)
- Goldfields Population Health: Kalgoorlie
- GP Down South: Nidjalla Waangan Mia (NWM) Health & Wellbeing Centre
- Great Southern Population Health Department: Child Health Centre WACHS
- Indian Ocean Territories Health Service (IOTHS)
- Kalgoorlie Health Campus
- Katanning Health Service: WACHS Child Development
- Kent Street Family Centre / Kent Street Child Health Clinic: Busselton
- Naturaliste Community Health: South West Community Care: Radiance Southwest
- Ngala Community Services: Residential
- Penmack Speech Pathology for Children
- Saba Rose Button Foundation
- South West Aboriginal Medical Service (SWAMS): Bunbury
- Spark Therapy Paediatric OT
- Speech Educators
- The Salvation Army: Balga Child Health Centre

Student Placement Agreement between Flinders University and the venue

Placement Schedule or Student Placement Letter of Agreement must be in place for each venue you wish to complete your placement with. This will be completed by your Flinders University WIL support officer once you have provided the contact details and evidence of the organisations willing to host you.
