

LIONSGATE VISITOR ACCESS AND CAR PARKING

Previously known as General Motors Holden, Lionsgate Business Park is a spacious 123ha multi-purpose business precinct 1.4kms from the Lyell McEwin Hospital (LMH). 3100sqm across Level 1 and Level 3 is now leased by NALHN. The address is 180 Philip Highway Elizabeth South

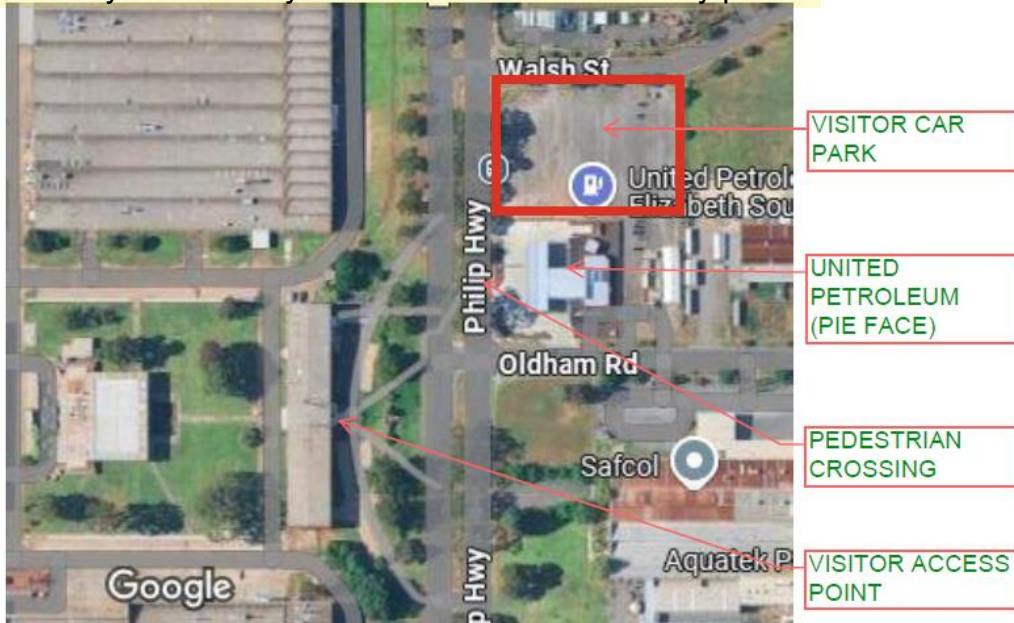

Visitors to Lionsgate are encouraged to park across the road on Phillip Highway next to the United Petrol Station (see picture below). This free car park has provision for 300 vehicles. Visitors can access the front of the main building and enter via the foyer area.

For safety measure, visitors will need to wait outside the visitor access point outlined on the map below for your onsite contact to greet you. Visitors will need to ensure their onsite contact is aware of their arrival to allow entry. **This also applies to midwifery students working with the Home Visiting Midwifery Service.**

TRAINING/ Midwifery Students

Trainers will collect attendees from the visitor access point before the start time of training. If you arrive late for training, please contact your trainer directly.

HVM staff will let you in when you arrive and contact then by phone.

Please ring: HVM T/L phone - 0403 605 539 (0730-1730) Please ensure that you phone if not coming or are going to be late.
