Placements may occur at any time of the year so you are advised to avoid booking holidays throughout the year as this could forfeit your opportunity to accept a placement allocation.

Please note that forfeiting your placement can result in significant delays in securing a new allocation, potentially up to 12+ months.

Students are required to upload up-to-date pre-placement compliance to InPlace **by the Topic Compliance Deadline**. All documents must be in-date until the stated placement end date.

Please note some placement agencies may require additional compliance.
It is your responsibility to ensure that you are compliant for placement.

Students who have not met the pre-placement compliance by the deadline may not be eligible for a placement allocation.

REMINDERS:

1. Before last day of enrolment in semesters 1 and 2 please enrol in the correct topic and offering, otherwise the placement could be forfeited for that year.
2. 3 weeks prior to each rotation email your key contact/ Supervisor on Inplace to find out when and where to meet and discuss further information about the placement.
