# How to access:

SA Health Aseptic Technique, Infection Control, and Safe Use of Personal Protective Equipment

*Step 1*: Click in the e-learning website: https://launch.sahealth.sa.gov.au/

Step 2: click the '**Sign Up**' button and enter your details, please **remember your password**. You do not need to enter a course access key

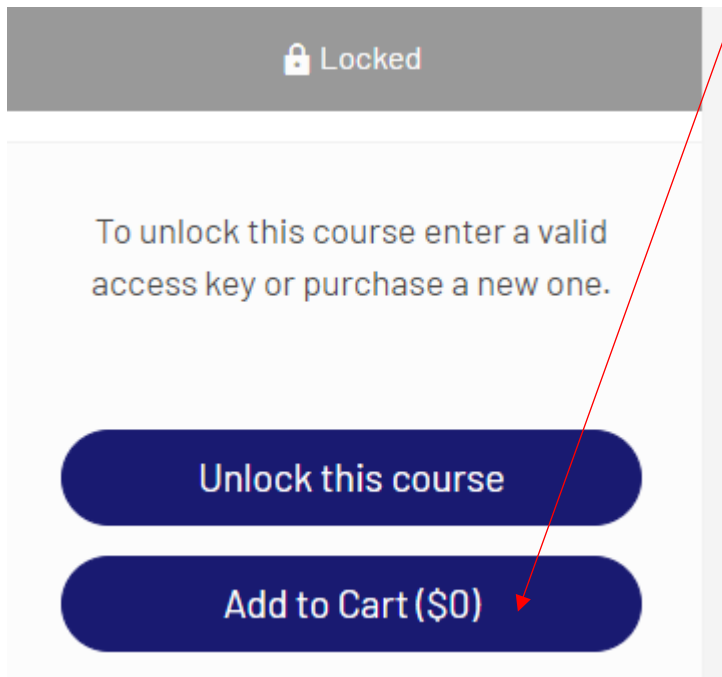

Step 3: Once you have signed up, you will receive an email to your nominated email address and you need to click into the '**Validate My Email'** button at the bottom of the email to validate your account.

Step 4: Log into the Launch site, using your email and password

Step 5: You have been given free access to three courses which are: **Aseptic Technique, Infection Control and Safe Use of Personal Protective Equipment (PPE)**. Please search for these from the list of available courses. It is **mandatory** for you to complete the **PPE course,** however the other two will also be beneficial for you. You will see that the course have a small locked icon on them, but click into the picture to '**Go to Course'**

Step 6: Once you clicked into the course, you will see a new site open and on the right-hand site there are two buttons, please click into '**ADD to Cart ($0)**' and click '**Checkout now'**.

Step 7: You will be directed to the Checkout and you can see that there is a total of $0.00 in the order. Click '**Continue to Billing Details**' and enter your details again. For the organisation please enter **Flinders University,** but enter your personal postal address, town and postcode. Now click '**Continue to Payment**' and you will see your saved billing details.

Step 8: Click '**Continue to Payment'** again and you will see that there is a $0.00 charge, then click '**Process this order'**.

Step 9: A page will open and please **choose Option 1**, which will show the course you have now access to. Just click the '**Unlock this Course for me**' button and '**Continue to Courses**' and the unlocked course will be read for you to access.
