

Placement compliance requirements are an industry pre-requisite for all students undertaking placements. Students will not be allocated a placement until all compliance criteria are completed and provided to the College of Nursing and Health Sciences WIL Placement Team.

Student Responsibilities

- Allow adequate time to complete all pre-placement requirements:
 - Criminal History screenings (DHS & NDIS clearances, Police Checks) may take 6-8 weeks.
 - Vaccinations may interfere with tuberculosis test results; therefore, it is strongly recommended to complete the SA Tuberculosis Service screening questionnaire before commencing any vaccinations.
 - Vaccination schedules may take up to 7 months.
- All documents must be valid for the entire duration of your placement. Clearances and certificates have expiry dates as noted below and must be renewed prior to placement allocation.
- Keep all documents safe and secure in a placement folder which is taken to all placements.
- Upload all required documents via [InPlace](#). Consult the [InPlace User Guide](#) for help.
- Complete any additional venue specific compliance requirements, as requested.

All students will be advised of a deadline to upload your documents to InPlace. These deadlines are given to allow the WIL team enough time to check your documentation and confirm details with your placement host.

Further information can be found on our [website](#).

This checklist has been colour coded to help you prioritise your pre-placement requirements – see below:

	Red	High Priority	Immunisations, DHS Clearance, TB Screening
	Orange	Medium Priority	RRHAN-EC, Safe Environments – Through their Eyes, Police checks
	Green	Quick Wins	InPlace declarations, SA Health Deed Poll, Hand Hygiene, Infection Control, Mask Fit Test, EMR (Sunrise)
	Blue	Recommended	Influenza Vaccinations, Covid 19 Vaccinations
