

## 2021 Study Plan Template

### Bachelor of Arts and Science

Please note that this document is provided as a guide only. Students are responsible for ensuring that they have completed 108 units of study according to the official Bachelor of Applied Geographical Information Systems course rule available at <https://students.flinders.edu.au/my-course/course-rules/undergrad/basc>

Students are responsible for planning their Core, Option and Elective topics ahead to ensure they meet the topic prerequisites.

**Students are encouraged to request a personalised study plan by submitting an Ask Flinders request via the Okta Dashboard, as the exact plan will depend on the Major selected.**

A list of all topics, including topic prerequisite information and alternate study period availabilities, is available at <http://www.flinders.edu.au/topic>.
