

Bachelor of Behavioural Science (Psychology) – Suggested Template 2019 - Midyear entry

This **suggested** study plan must be read in conjunction with the Course Rule for the Bachelor of Behavioural Science (Psychology) degree at

http://www.flinders.edu.au/courses/rules/undergrad/bbsc_home.cfm

Students must complete a major sequence in Psychology plus a second major in one of 12 specified disciplines (see below).

Suggested template for Mid-year entry students in BBSC to be completed in three and a half years.

Due to the high level of sequencing of the Psychology topics across the degree, students will not be able to start the Psychology major until Semester 1 of year 2.

If you wish to discuss this further, please contact the Director of Studies for the degree (contact information provided below).

Year 1					
	Semester 2	2 nd Major Topic (Year 1) Check 2 nd Major rule	Elective or potential 2 nd Major Topic (Year 1)	Elective	

Year 2	Semester 1	PSYC1101 Psychology 1A	PSYC1106 Research Methods 1	2 nd Major Topic (Year 1) Check 2 nd Major rule	Elective
	Semester 2	PSYC1102 Psychology 1B	2 nd Major Topic (Year 2) Check 2 nd Major rule	2 nd Major Topic (Year 2) Check 2 nd Major rule	

Year 3	Semester 1	PSYC2018 Research Methods 2	PSYC2020 Cognition and Learning	2 nd Major Topic (Year 2) Check 2 nd Major rule	2 nd Major Topic (Year 3) Check 2 nd Major rule
	Semester 2	PSYC2019 Personality and Social Psychology	PSYC2021 Human Development	PSYC2022 Psychological Assessment & Measurement	
Year 4	Semester 1	PSYC3235 Applications of Psychological Science	PSYC3XXX (PSYC Option)	PSYC3XXX (PSYC Option)	2 nd Major Topic (Year 3) Check 2 nd Major rule
	Semester 2	PSYC3007 Research Methods 3	PSYC3XXX (PSYC Option)	2 nd Major Topic (Year 3) Check 2 nd Major rule	

The topics in the purple cells are the core Psychology topics that you need to take each year. The topics in the green, orange and yellow cells can be moved around depending on how they fit with the course rule and timetable availability.

A major sequence in **Psychology** of 58.5 units (10 core PSYC topics and 3 PSYC electives). The topics shaded in **purple** above are **Core Psychology topics** for the BBSC for years 1, 2 and 3. In year three an additional 13.5 units (three topics) of Year 3 Psychology option topics must be chosen from the following list:

PSYC3003 Introduction to Clinical Psychology (4.5 units) **Semester 1**

PSYC3004 Advanced Social Psychology (4.5 units) **Semester 2**

PSYC3008 Applied Cognitive Psychology (4.5 units) **Semester 2**

PSYC3009 Lifespan Development in Cultural Perspective (4.5 units) **Semester 1**

PSYC3010 Mind, Brain and Behaviour (4.5 units) **Semester 1**

PSYC3236 Forensic Psychology: Legal and Clinical (4.5 units) **Semester 2**

plus select one of the following Major Sequences (2nd Majors consist of 36 Units, 8 topics)

- [Artificial Intelligence](#)
- [Biological Sciences](#)
- [Criminal Justice](#)
- [Disability and Developmental Education #](#)
- [Health Studies #](#)
- [Legal Studies](#)
- [Management](#)
- [Neuroscience #](#)

-
- [Philosophy](#)
 - [Public Policy](#)
 - [Sociology](#)
 - [Women's Studies](#)

Read in conjunction with the BBSC Course Rule, please also read the **guidelines for your chosen 2nd Major**. Not all topics are necessarily available each year.

Important Note: If you are interested in either Disability and Developmental Education, Health Studies, or Neuroscience as a second major, please seek academic counselling from the Director of Studies prior to starting second year due to the strict sequencing requirements of those majors.

In addition to the **core and option** topics for **Psychology**, and the **core and option** topics for the **2nd Major**, there is space in your degree to undertake other **elective** topics - to make a total of 108 units. Elective topics may be selected from any offered by the University, provided entry and course requirements are met. Within the 108 units at least 27 units but no more than 45 units of year 1 topics must be included. This plan must be read in conjunction with the Course Rule for the Bachelor of Behavioural Science (Psychology) degree at http://www.flinders.edu.au/courses/rules/undergrad/bbsc_home.cfm
