- [Disability and Developmental Education](#)
- [Health Studies](#)
- [Law and Society](#)
- [Management](#)
- [Neuroscience](#)
- [Philosophy](#)
- [Public Policy](#)
- [Sociology](#)
- [Women's Studies](#)

Read in conjunction with the BBSC Course Rule, please also read the **guidelines for your chosen 2<sup>nd</sup> Major**

Not all topics are necessarily available each year.

In addition to the **core and option** topics for **Psychology**, and the **core and option** topics for the **2<sup>nd</sup> Major**, there is space in your degree to undertake other **elective** topics - to make a total of 108 units. Elective topics may be selected from any offered by the University, provided entry and course requirements are met. Within the 108 units, at least 27 units but no more than 45 units of year 1 topics must be included.
