**2021 Study Plan Template**

**Bachelor of Science (Honours) (Biotechnology)**

Please note that this document is provided as a guide only. Students are responsible for ensuring that they have completed 144 units of study according to the official Bachelor of Science (Honours) (Biotechnology) course rule available at [https://students.flinders.edu.au/my-course/course-rules/undergrad/bscs/bschs-btech](https://students.flinders.edu.au/my-course/course-rules/undergrad/bscs/bschs-btech).

Students are responsible for planning their Core, Option and Elective topics ahead to ensure they meet the topic prerequisites. A list of all topics, including topic prerequisite information and alternate study period availabilities, is available at [2021 Topics](#).
