

College of Medicine & Public Health

## **Graduate Certificate in Clinical Education Study Plan Options**

### **Please note:**

- This document is provided as a guide only. It is the student's responsibility to review and assess any changes to the course rule, topic prerequisites and semester availability; this information is available [online](#).
- It is recommended that all postgraduate clinical education courses are studied on a part-time basis. If you would like to study full-time, please contact the Course Coordinator, [Gillian Kette](#), to discuss this.
- Prerequisites are listed in *red*.
- **^** may be studied concurrently with associated topic.
