

College of Medicine & Public Health

Graduate Diploma in Clinical Education

Study Plan Options

Please note:

- This document is provided as a guide only. It is the student's responsibility to review and assess any changes to the course rule, topic prerequisites and semester availability; this information is available [online](#).
- It is recommended that all postgraduate clinical education courses are studied on a part-time basis. If you would like to study full-time, please contact the Course Coordinator, [Gillian Kette](#), to discuss this.
- Prerequisites are listed in *red*.
- **^** may be studied concurrently with associated topic.
- Option topics are available from a select list of topics which can be viewed on the course rule. Please note that not all topics are available every semester, and prerequisites apply.
