

College of Medicine & Public Health

## Master of Biotechnology Study Plan Options

### Please note:

- This document is provided as a guide only. It is the student's responsibility to review and assess any changes to the course rule, topic prerequisites and semester availability; this information is available [online](#).
- If you require a part-time or personalised study plan, please email [courseadvice.MPH@flinders.edu.au](mailto:courseadvice.MPH@flinders.edu.au).
- Prerequisites are listed in **red**.
- ^ may be studied concurrently with associated topic.
- Option topics are available from a select list of topics as per the Course Rule.
- Topic information for all topics, including pre-requisites can be found on the [Topic Page](#).
- General enrolment assistance is available via [Ask Flinders](#).
- For specific course advice, please e-mail: [courseadvice.MPH@flinders.edu.au](mailto:courseadvice.MPH@flinders.edu.au)

### 2026 Master of Biotechnology Course Rule

#### The following study plans are available in this document:

Independent Research Project Option

[Commencing Semester 1](#)

Independent Research Project Option

[Commencing Semester 2](#)

Collaborative Research Option

[Commencing Semester 1](#)

Collaborative Research Option

[Commencing Semester 2](#)

**Master of Biotechnology**  
**Independent Research Project Option**  
**Commencing Semester 1 - Full Time Study Plan**
