Please note:

- This document is provided as a guide only. Students are responsible for ensuring that they have completed their study according to the official Course Rule.
- When core topics are offered in both halves of the year, students may enrol in these topics in either half of the year as long as requisites are met.
- Students may, in consultation with the Course Coordinator, select alternative option topics for up to 4.5 units of study.
- To meet accreditation standards and register as a professional counsellor in Australia requires students to enrol in on-campus availabilities of all MHSC topics.
- Prerequisites are listed in *red*.
- Topic information for all topics, including pre-requisites can be found in the Handbook.
- General enrolment assistance is available via Ask Flinders
