

Master of Remote and Indigenous Health

This **suggested** part-time study plan must be read in conjunction with the course rule for the Master of Remote and Indigenous Health at: www.flinders.edu.au/courses/rules/postgrad/mrih

To qualify for the MRIH, a student must complete 54 units of study and the program must be completed within 10 consecutive semesters.

Not all topics are necessarily available in a given year.

The research project and option topics must be chosen in consultation with the course coordinator and must be in an area relevant to the student's present or future practice.

Part-time study	Semester 1 (9 units)	Core Topic REMH8001 Context of Remote & Indigenous Health	Option Topic* E.g.: REMH8006 Remote Advanced Nursing Practice & Pharmacotherapeutics
	Semester 2 (9 units)	Core Topic REMH8002 Remote & Indigenous Health Care	Option Topic* E.g.: REMH8021 Chronic Disease in Remote and Indigenous Primary Health Care
	Semester 1 (9 units)	Core Topic REMH8013 Public Health Principles for Remote & Indigenous Practice	Core Topic REMH8015 Research and Evidence Based Decision Making
	Semester 2 (9 units)	Core Topic REMH8014 Ethics, Power and Practice	Option Topic* E.g.: REMH8007 Remote Advanced Nursing Practice Across the Lifespan
	Semester 1 (9 units)	Core Topic REMH9022 Research and Evaluation for Remote & Indigenous Health	Option Topic* E.g.: REMH8016 Remote Health Services Management in Practice
	Semester 2 (9 units)	Core Topic REMH9017 Remote Health Services: Strategic Management	Core Topic REMH9023A Remote & Indigenous Research Project

Option - Year 1 & 2 topics

18 units chosen from the following:

- [DSRS9050](#) Communication Difficulties
- [DSRS9051](#) Rehabilitation and Learning Following Acquired Brain Injury
- [DSRS9056](#) Legal, Ethical and Administrative Dimensions of Disability Services
- [DSRS9060](#) Intellectual Disability
- [DSRS9061](#) Management of Physical and Multiple Disabilities
- [DSRS9062](#) Transition from School to Adult Life for Students with Disabilities
- [DSRS9063](#) Autism Spectrum Disorder Across the Lifespan GE
- [DSRS9067](#) Promoting inclusion in Arts, Sports and Leisure

[DSRS9069](#) Mental Health, Disability and Rehabilitation
[DSRS9070](#) Early Intervention for Children with Developmental Delays
[HACM9201](#) Health Law
[HACM9202](#) Safety and Quality in Health Care
[PHCA9504](#) Critical Practice in Indigenous Health
[PHCA9507](#) Health Promotion in Public Health
[PHCA9510](#) Leadership and the New Public Health
[PHCA9518](#) Food Democracy for Public Health Practice
[REMH8003](#) Fundamentals of Remote Allied Health Practice
[REMH8004](#) Remote and Indigenous Family Medicine
[REMH8005](#) Remote and Indigenous Complex Chronic Disease
[REMH8006](#) Remote Advanced Nursing Practice & Pharmacotherapeutics
[REMH8007](#) Remote Advanced Nursing Practice Across the Lifespan
[REMH8012](#) Project Management
[REMH8016](#) Remote Health Services Management in Practice
[REMH8021](#) Chronic Disease in Remote and Indigenous Primary Health Care
[REMH8025](#) Recognising and Responding to Dementia in Indigenous Communities
[REMH8026](#) Working with People with Disabilities in Remote and Indigenous Contexts
[REMH9023B](#) Remote & Indigenous Research Project*
[REMH9023C](#) Remote & Indigenous Research Project*
[REMH9023D](#) Remote & Indigenous Research Project*

*These topics may be taken in addition to REMH9023A to complete a 9 unit, 13.5 or 18 unit research project

Other topics may be selected from other programs within Flinders University and from other universities in consultation with the Course Coordinator.

This document is accurate as of 15 November 2019.
